Berry Bay Community Development District

Policy and Fee Schedule for Non-Resident Use of District Recreational Facilities Policy

The Berry Bay Community Development District (the “**District**”) owns, maintains, and operates the recreational facilities within the District. The residents of the District pay both debt assessments and annual operation and maintenance assessments in exchange for the benefits provided by the District’s infrastructure and services, including, but not limited to, the recreational facilities.

To be fair and equitable to the residents of the District, any non-residents who wish to enjoy the District’s recreational facilities will be required to pay a fair and reasonable user fee that covers a proportional share of the operation and maintenance expenses of the District.

Upon payment of the non-resident user fees, any person shall be entitled to non-exclusive enjoyment of the District’s recreation facilities in the same manner as residents and subject to the same rules and policies of the District. Policies of the District can be found online and may be modified from time to time. Violations of the District’s rules and policies may result in the revocation of access privileges without a refund.

The District’s Board of Supervisors has elected to cap the number of non-resident memberships to twelve at a time to account for size and capacity limitations of the District’s recreational facilities. Residents and Non-Resident Members may bring three guests for a maximum of seven days per calendar year to the recreational facilities. Non-residents interested in using the District’s recreational facilities should contact the District Manager via email at Jayna.Cooper@Inframark.com or via telephone at (813) 873-7300.
